

Below are the steps for purchasing through **PayPal** in the www.aliens4sale.com website.

First of all you must have a **PayPal** account.

You can open an account in the official **PayPal** website by entering the link below and following the instructions given: [How to open or close a PayPal account?](#)

We should mention that the **PayPal** payment system offers complete safety with respect to controlling your personal data and in making payments.

Once the account is open you can make your purchase by entering your personal data in **PayPal**. The procedure is described below:

1. Select the product or products you want.

In the website, select the desired product or products using the “Add to basket” button.

Add to basket

2. Process the purchase.

After selecting the product or products, you will be asked whether you want to continue purchasing or process your purchase. To continue with the purchase process, press the “**Process to checkout**” button.

3. Shopping basket summary.

A summary of the contents of your shopping basket will then be displayed. You can change the quantity of products you want to buy or eliminate any products that you do not want to buy. Please make sure to select the country and region in which you live to know the exact amount, including shipping charges. If you are satisfied with the products purchased, continue with the purchase by pressing the “Continue shopping” button.
